JANUARY

"A house divided against itself cannot stand..." were the stirring words of Abraham Lincoln during the turbulent days prior to the Civil War. Yet those words of wisdom still hold today. True, we are not faced with a civil war at this time, but rather a War that is far more horrible in that it involves so much more than did our Civil War. Of all chaotic times we need Unity now more than ever before. We will attain Unity only by self sacrifice in the interest of those whom we are endeavoring to help, cooperation with those who are endeavoring to help us, good fellowship, Loyalty to support whatever activities in which we may participate, and attention to our duties. These are bands of common interest which bring us and hold us together—UNITED FOR VICTORY.

Brackenridge ... an outstanding landmark

IN MEMORIAM

"It is rather for us to be here dedicated to the great task remaining before us—that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation under God, shall have a new birth of freedom; and that government of the people, by the people, and for the people shall not perish from the earth."

-Abraham Lincoln

Just as our nation had its new birth of freedom many years ago, as depicted in the above extract, so will this war-torn world have its birth as a sphere of free and democratic ideals when the horrors of total war are gone once more. In our memory lingers the thought of our once proud schoolmates as well as the other vast multitudes of peace-loving men who left their homeland in an attempt to subdue the evil brought about by the mad War-Lords. These brave men were once students like you and me, enjoying the freedom of a democratic nation. Rather than let their deeds pass without glory, we pay solemn tribute to them and their spirit which shall never die nor perish from our hearts.

OUR YOUNGEST SOLDIERS

Dedicated to the Brackenridge soldiers of eighteen—composed by the "mother" of several hundred B.H.S. boys.

"Dear Uncle Sam, I'm sending you today
My smallest son: he's very, very dear.
Please take him to your heart—relieve my fear.
He's still so young to fight, to kill to slay.
'I must enlist,' he said. What could I say,
My heart in shreds, a smile to hide my tear,
My little school boy in his eighteenth year—
And yet I could not, would not bid him stay—"

He left last night, this precious child of mine.

God understands, for He, too, had a son

He sent to fight a globol war for men.

And I'll awake, some glorious day divine,

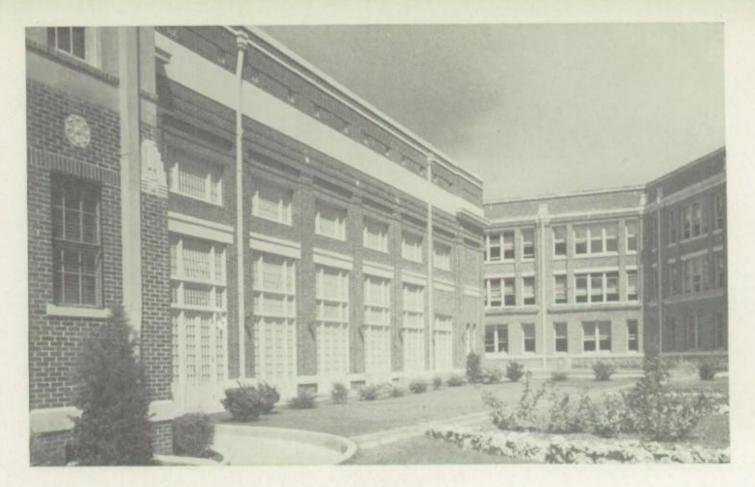

An Easter morn, the peace and victory won,

To find him standing at my side again.

His name, America, with you is filed.

Sincerely yours,

The Mother of the Child

A PRAYER

We utter a prayer for our loved ones
Who are fighting across the sea
That God may deliver them safely
Where e'er their plight may be.
We pray to the Lord in the heavens
Our land he may keep free
And when all the strife has been finished
Our prayer may answered be.

We whisper a prayer for our enemies

The ones with a rising sun

To Christ, we shall pray, "Please forgive, Lord,
They know not what they have done."

The Brackenridge Parent-Teacher Association, with a membership of well over five hundred has endeavored to do its part on the home front by meeting the challenge at all times of the motto, "Our concern, every youth." The program has been a flexible one and was designd to meet the adjustments that of necessity arise in war time. Our program chairman has kept the membership aware of the constant changes taking place in our schools, by the use of skilled speakers both adult and student. We have again sought the

help of the students by including in our Executive Committee two representatives of the Student Council. It has been our pleasure to continue two traditions of the Association; namely, to have the Honor Reception for all honor students and to present cash awards to two sewing students for the most appropriate graduation dresses.

Besides carrying on all regular departments, the Association sponsored an Emergency Hospital of 125 beds, the furnishing of a recreation room at one of our army camps and invested surplus funds in war bonds. No effort of the P.-T.A. could hope to attain even a small measure of success without the friendly co-operation of the principal, faculty and entire student body of the school. The association proudly acknowledges its debt to each of the above and humbly and gratefully says "thank you."

Mr. J. E. Stutsman
Superintendent

Mr. Thomas B. Portwood

Assistant Superintendent
of Senior School Division

Mr. Gary, as principal of Brackenridge, directs and supervises the varied activities of our school. It is an arduous task to lead twenty-five hundred students and seventy-five teachers. He attacks this problem with intelligence and courage. He has a sympathetic understanding for teacher and pupil alike. Always alert to the new trends in education, he recognizes the good points of the old, seeking to merge the best of each. All worthwhile student enterprises are given his support and encouragement. We salute you, Mr. Gary, for a superb job! You have truly helped to make dear old Brackenridge High School what it is today.

Miss Viola Moore
Dean of Girls

Miss Moore, as dean of girls, and Mr. Kay, as vice-principal, handle many of the problems of B.H.S. students. They also have a sympathetic understanding which enables them to have a helpful influence over everyone who come to them for guidance. They possess an ardent friendship and are enriched in experience. Their problems are many, but their main thought is the happiness of the students of Brackenridge. We look up to you, Miss Moore and Mr. Kay, as bright stars of guidance. May you shine for many years!

Dear fair fair run over third pour. He god to have the final curtain

When the final curtain falls
On this bloodiest of wars,
And at last the bugle calls
The brave dead up to the stars,
And there is no need for walls
To curb the war-god Mars.

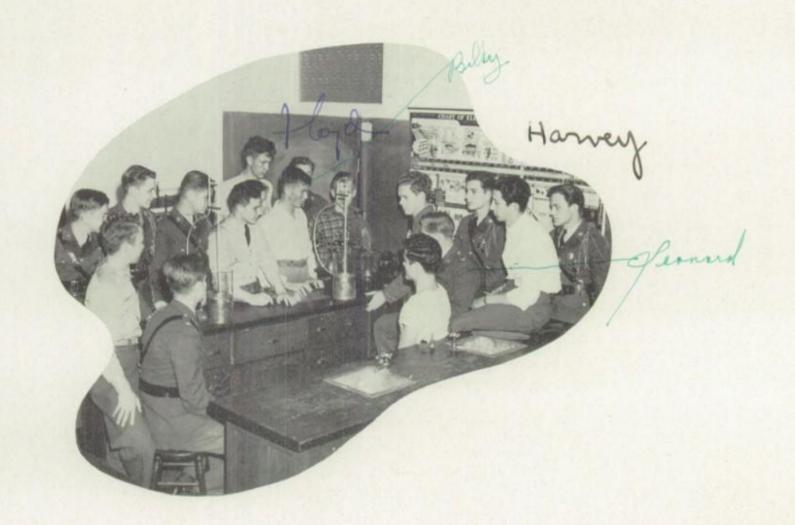

Our glad voices to the sky

We shall raise to God on high,

Deeply thankful for the Light

That has won for truth and right.

SENIOR CLASS

With Harvey Hugman as their leader and Mrs. Bate and Miss McCallum as their sponsors, the Senior Class of 1943 began their active year. A hard and earnest membership drive was held at the beginning of school which was indeed a success. The first dance that the seniors gave was "The Victory Prom," a formal held in November, which was a triumphant success. The seniors undertook a very difficult task this year, that of standardizing a ring for Brackenridge. After much reasoning and analyzing the entire student body was given the chance to pick the ring of their choice and the seniors' task was accomplished whereby Brackenridge was again to have a standard ring. In February the seniors had their annual picnic which was one of the most successful senior picnics ever given. The seniors had their second dance, "The Lampkin's Leap," in March which also

SENIOR CLASS —(Cont'd)

proved to be a howling success. Due to war conditions the seniors felt that the least they could do toward the war effort was to give up their formal dresses and formal suits for graduation, so they voted to graduate in caps and gowns which is the first time in the history of Brackenridge that a class has taken this step forward. The Senior Play, "When Stars Shine," was given in April under the splendid direction of Miss Jeston Dickey. It was another activity that was put on the list of success. With all activities well done and laid aside, the seniors eagerly awaited the Baccalaureate Sermon and Commencement Exercises. Amid laughter and sad goodbyes said with heavy hearts the senior class of '43 ended three happy and successfully spent years.

GOD SPEED, MY FRIEND

God speed, my friend, we say goodbye;
You're off to war, perhaps to die.
Your cause is just, your purpose true
And we at home will think of you.

Now as we part, a glistening tear

Quite unashamed is seen appear—

Our hearts are heavy, you must leave—

For, the evil, not for you we grieve.

You're leaving us to win the peace,
Defend us and make wars to cease—
Our enemy's plan is greed and hate,
But you are brave—your country great.

We say goodbye, my friend, God speed As now your Country's call you heed.

I hear the drums, the trumpets blare;
I hear the call from over there.
We're at war, we must to arms
Before the foe our freedom harms.

Our strength his in determination,

It's war far all, not just our nation.

To arms! Our banners are unfurled,

Our cause is just; we'll save the world.

Why do our boys enlist to die

For Tyrant's deed and Tyrant's lie?

Why must they suffer, pains endure,

For other's evils find the cure.

Someday our brave will find their rest
With other heroes to be blest.
They will sound the Tyrant's knell
And peace will ring from every bell.

JUNIOR CLASS HISTORY (1942-1943)

Having established our citizenship in Brackenridge after completing a successful sophomore year, the Junior Class, sponsored by Miss Christine Lawrence and Miss Elsa Burg, entered its junior year with much enthusiasm.

Under the leadership of our able president, Paul Ranney, and through the cooperation of the class members, our class had a year filled with activities.

In order to really get things started, a dues campaign was sponsored, and through the sincere efforts of the dues collectors from each of the advisories, the class netted a sizeable sum for its treasury.

Never to be forgotten was the annual Junior Prom, an informal dance this year because of the war, but the usual sweet sentiment for the time of Valentine prevailed. The sweetheart theme was carried out and the evening closed with a lasting memory of "Cupid's Capers" to remain in the minds of all who attended.

Having completed successfully our sophomore and junior years, we look forward eagerly to our senior year with a hope and a determination that it, too, will be successful.

SOPHOMORES

I AM THE FLAG

In 1777 I was born in the brain of the Commander-in-chief of the American forces, General George Washington. Yes, such was the title they gave him, that grave, erect leader of rabble. He must have known as he conceived me that the very ragged rebels he led into battle were the forefathers of a mighty nation, who would carry me forever as their banner...

I have seen much. As a child I waved bravely over a ragged band of farmers who first proved that brotherhood and freedom were practical terms...

I was borne over French fields red with poppies and the blood of American boys in the World War, and my flaming ensign was flown over ships sailing our expeditionary forces back in another freedom's victory.

Today I wave in Guadalcanal, in the Aleutians, and across the other sea in England and Africa as a challenge and warning to all the enemies of brotherhood and liberty. Defeats will only wash in tears my red, white, and blue and make their colors clearer — there can be no permanent defeat for me, for I am Victory's inner spirit. . .

Someday what the colors of my folds signify will spread like wings of peace over humanity, when courage, peace, and fidelity shall safeguard the liberty of man everywhere. So long as brotherhood lives on earth, I, the Star Spangled Banner, "in triumph shall wave o'er the land of the free and the home of the brave."

SOPHOMORE CLASS HISTORY 1942-1943

The sophomore class of 1943 speeded off to a grand start by selecting to office a staff of efficient, hard-working officers. The inexperienced sophomores, in their initial tasks have now found their stride under the able guidance of their sponsors, Miss Cecile Lawrence and Miss Nell Beasley. With the splendid cooperation of the class members, the officers plotted a very successful year full of glorious achievements. Among these activities we find the spohomores sponsoring a dance, which ranked among the best of the year, and a picnic packed with unlimited fun and thrills. Both of these activities, in line with all the rest, reached the height of success. If one were to analyze the first year of the sophomores, he would find a class with a glorious beginning, a successful ending, and greater still, a class with a very promising future.

BLESSED BY THE DAY

The sun will shine, the birds will sing,
And men will laugh while bells will ring;
The bees will dance around the comb,
And children in the fields will roam.

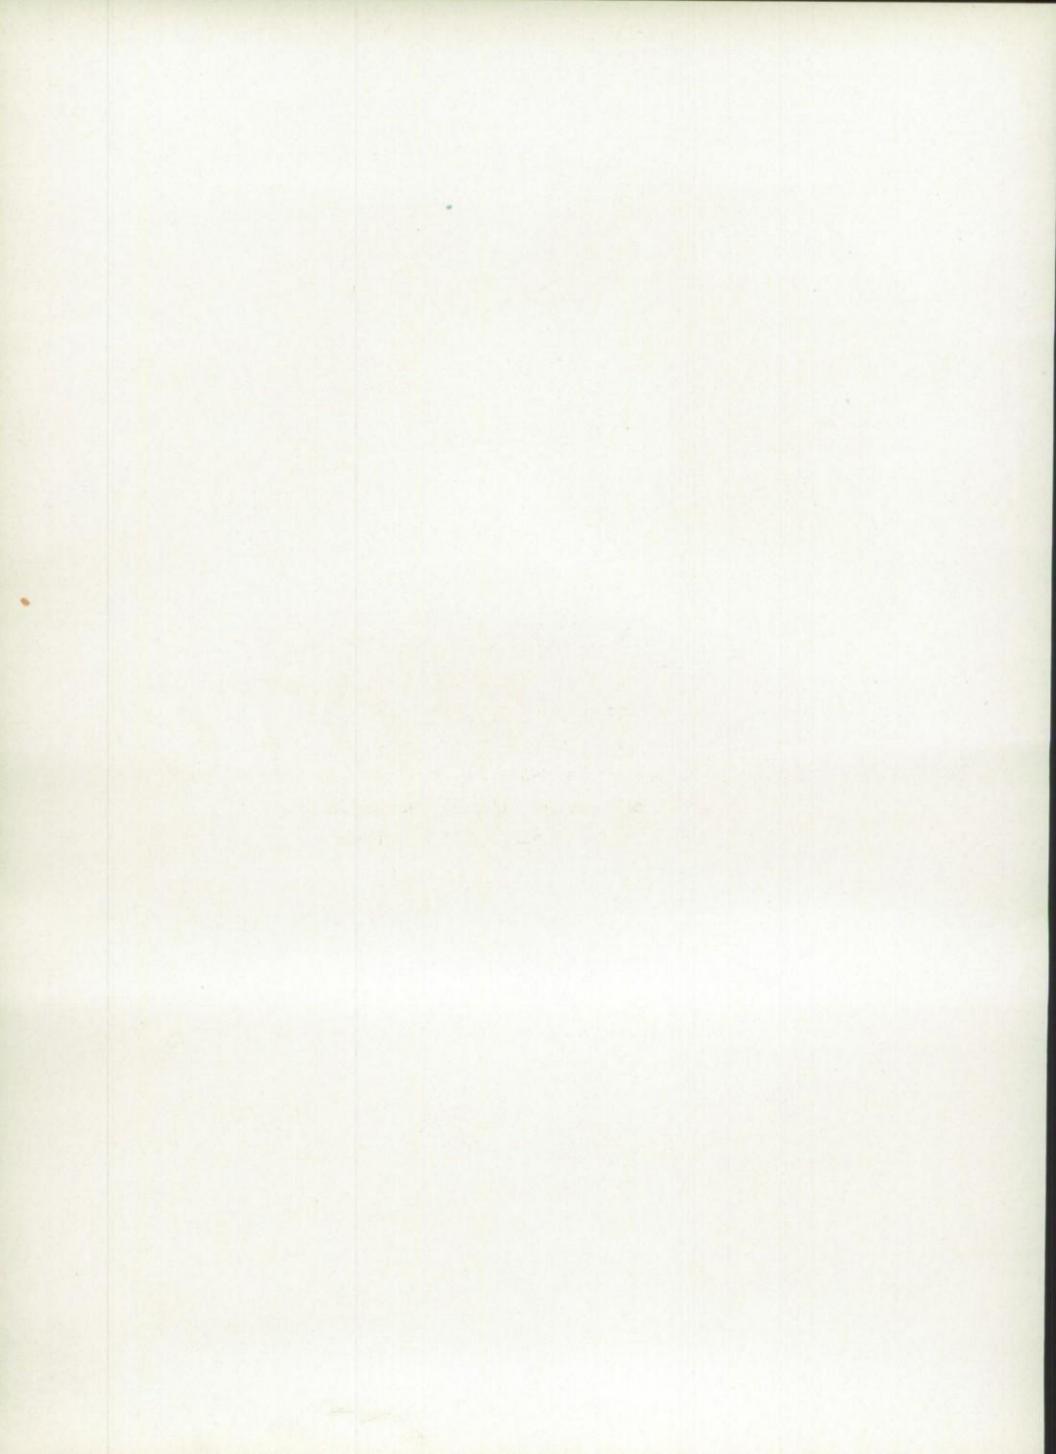

All men before the shrine will kneel
To tell the Lord of how they feel,
To send their loving, humble thanks
To Him on high from lowly ranks.

And blessed will be that happy day
When skies are blue instead of gray;
And from far lands across the foam
Our peerless boys come marching home.

The Brackenridge Regiment of the Reserve Officer's Training Corps is now working in close cooperation with the various branches of our military services. Organized in March, 1918, this organization became the first unit of its kind in San Antonio. From that time up to the present, the Brackenridge R.O.T.C. has grown in magnitude until it has now reached the peak of its career as a basic military organization. These cadets show the spirit of their fellow-men who are away at the front, engaged in mortal combat with our enemies. The various phases of training in our Corps teach the cadets the basic principles and technical details of actual combat training.

The Girl Scouts Incorporated is a national organization founded by Mrs. Julietter Low in 1912 with the objectives of training for better citizenship, for service to the community, and for international friendship through conferences with Girl Guides in Europe and South America.

Troop No. 1, San Antonio, was organized in February, 1924, at B.H.S. and sponsored by the Brackenridge P.-T.A. in 1942. Recreations, hikes, outdoor cookery have always been emphasized, but the war has accentuated the need for service in emergencies and Girl Scouts are being trained to assist the community in many ways during World War II. When properly qualified they are made Senior Service Scouts. Nearly all the girls have Junior First Aid certificates, and are learning signaling, home-making, to be handy with the usual household tools, and to be skilled out-door cooks. They have entertained convalescents with marionette shows and have made cookies for the soldiers and plan soon to assist the U.S.O. after school hours in caring for children of Defense Workers at a Nursery School. This will train the Girl Scouts to help care for children through story-telling and games and preparation of correct food, should an emergency occur.

With the shadow of war lurking over our shores, many tasks need to be done. So it was that the Student Council of Brackenridge was able to venture forth into a year whose calendar was filled with wartime activities.

With the buying of War Bonds and Stamps being stressed so earnestly by our government, Brackenridge, through the Student Council, again decided to do its share in this necessary cause. The drive this year
was bigger and better than ever, with the sponsoring of two stamp-buying campaigns. During the week of
December 7th the American citizens of B.H.S. showed their determination of winning the war by buying
nearly nine-hundred dollars worth of stamps at school aside from numerous bonds purchased by the

The Student Council

students outside of school. A second drive was sponsored in the Spring Term for the purpose of buying a jeep.

Enthusiasm prevailed throughout the campaign, and the school went well over its goal.

Red Cross activities also held a place on our calendar of activities. Students were asked to bring books and comic books for the soldiers, keeping in mind that "the book to give is the one you want to keep."

Furnishing a day-room for the men in uniform was another worthy project we undertook. Students enthusiastically brought articles of furniture to make this a success—just one of the many things that the Student Council, through the students of B.H.S. has done in adding pounds to the scale that will weigh our victory in this war!

The Brackenridge Folk-lore Society, one of the newest organizations in Brackenridge High School, was organized in September, 1942, with Miss Leilet Richter, as sponsor. The aims and ideals of the Society as stated in the Constitution are: "To learn more of the folk-lore and history of our city and state, to visit the various places of historic interest in San Antonio, and to interest others in folk-lore." Two meetings a month are given over to learning old-time Texas reels and square dances.

The Society's activities began in October with a tour of historic homes in San Antonio, sponsored by the local Chapter of University Women. Later, we visited Mission Concepcion and Concepcion battlefield. In December, new members were initiated at the O. Henry House, and was followed by a Mexican supper. Singing of traditional carols and a visit from Santa Claus (to the good members) marked Christmas. Officers for the Spring semester were installed in January at a dinner in the Old South Cafe. St. Valentine's Day was observed by a party on February 10. Visits to the Alamo, the Governor's place, the missions, and a special observance of Texas Independence Day rounded out March's activities. In true "Texan" style, the anniversary of the Battle of San Jacinto was celebrated with a dance at the Cos House, in La Villita. In May, graduating Seniors of the Society were honored with a supper and "Lancha ride" on the San Antonio River. This ended an active year for the organization.

From the interest and enthusiasm shown in the first year of the Society's existence, we are confident that it is destined to ever greater prominence and prestige.

The Folk-Lore Society

The Latin Club

The Latin Club was organized in 1926 by Mrs. Ella Caine for all those Brackenridge students interested in the study of the Latin language and the many interesting customs of the Roman people. The motto of the Latin Club is "Non progredi est regredi," and our present sponsor is Miss Smith who has sponsored the club since 1938.

Although all the socials are enjoyed immensely, the biggest and most enjoyable social of the year is the Saturnalia. This banquet keeps alive a grand old custom of the Romans and is held annually about Christmas time. Other enjoyable socials of the year include picnics and a farewell party, given in May in honor of the graduating seniors.

All the members are deeply interested in the welfare of the club, and everyone has a grand time at the socials.

The Gold Bug Short Story Club, under the guidance of Miss Wimberly, is striving for better and greater things for our country, our school, and our club. This year, more than ever, we find it necessary to stress in our programs good citizenship, a good command of English, and recreation for times that may be a little difficult.

Following the election of our new members, which takes place in November, an initiation, with the customary pirate's ritual, is held. Although the number of members is limited by the constitution, when one is once elected to our club, she will always be considered a member.

Gold Bug tradition, based on events since 1918, was continued in the spring when our annual banquet brought all the members together around a festive table.

Gold Bug Short Story Club

Gold Bug Short Story Club

Mother's Day and the Story Telling Festival provided a scene of keen but friendly competition among the three classes of contestants—sophomores, juniors, and seniors—for possession of the coveted Gold Bug emblems of superiority in the telling of tales. We have two annual gifts. One gold star is given to the club by the Hertzberg Jewelry Company; the second by the Bettincourt Company. Both of these are Senior Medals.

Thus was another year in the history of this Brackenridge organization recorded successfully and happily despite the changes and turmoil of a wartorn world. And it is for such things as this club and its traditions—to preserve these things dear to our hearts—that we determine to give our best.

Interest in Science is the motivating influence of the boys Science Club of B.H.S. This organization started its year under the co-sponsorship of Mrs. Bannosky and Miss Pagel. Miss Pagel later organized a girls Science Club and left us for that post. We are now ably sponsored by Mrs. Bannosky. With such leaders as fall-president Alton Grimm and spring-president, Floyd Muller, the club has had a very full year. A business meeting is held the first and third week of every month, while a program meeting is held on the second and fourth. If there should be a fifth meeting in the month, refreshments are served.

The members of the club have two dominating objectives in view at all times. These goals are to help the Science Department at B.H.S. whenever possible and to increase our knowledge in the world of science. In our program meetings, various members of the club present a program pertaining to science. Although

Science Club

Science Club

all the programs are interesting, two of the most outstanding programs were given by Mr. Gary and Logan Smiley. Mr. Gary showed us some of the phenomena of Science in chemistry, in physics, and in the human body. Logan's program consisted of a lecture on psychology in which Logan explained the fundamentals of the science and demonstrated them. Miss Rose Davis, our teacher of physics, is always willing to assist us with equipment, experiments, explanations, and the use of her laboratory.

Our activity in science has not kept us from being equally as active in the social world. Our dance was an outstanding success. The decoration scheme was original and the music was exceptionally good.

Our club therefore ends a full and active year.

The Wa Kapa Club was founded twenty-two years ago by Miss Georgia Armstrong. It was originally called the Library Club but was later renamed Wa Kapa Club. Wa Kapa, in the Indian language means friendship. This year the club with the able assistance of our sponsor, Miss Louise Allen, has tried to keep the ideal of friendship alive and growing.

This year's activities started with the election of new members. The formal initiation was held in October.

Christmas each year brings around an event dear to the heart of every Wa Kapa member. Mid fun and laughter we decorated a Christmas tree in the center hall. As we hung balls and stars and tinsel, many of the students gathered to give the advice. Even Mr. Gary and Mr. Kay came to their office doors when we consulted them. In the week that followed the amazing thing was that, although crowds swirled gaily through the hall and about the tree, only a few ornaments were broken. Later we carefully packed the decorations away until next year and turned our thoughts to other things—a calendar with picnics and parties. As Miss Allen laughingly says, "Every time we get some money we plan a party and eat up the treasury."

Wa Kapa

In January a luncheon was given at the Rio Vista Restaurant. At this luncheon the officers of the fall term relinquished their offices to the officers elected for the spring term.

This was followed by a game party in our school cafeteria which we gave to become acquainted with the prospective members.

In an impressive and beautiful ceremony seventeen new members were initiated into the club. As they took the pledge, each new member was presented with a lovely corsage.

One of the highlights of the year was the picnic given for the members and their dates and friends at Koehler Park. Bicycling, chatting, dancing, and boat riding climaxed by a sumptuous feast ended a day which will long be remembered by the members of the Wa Kapa Club.

In May the farewell banquet honoring the seniors was given. This is always an occasion enjoyed by all, yet with an overtone of sadness as we bid good-bye to our friends with whom we have spent so many pleasant hours.

The Junior Historian Organization is composed of boys and girls who find enjoyment in Texas history, its early pioneers and significant historical relics. This club was organized in the spring of 1941, with Mrs. Magruder as sonsor. The Junior Historian Organization is statewide, being the junior division of the Texas State Historical Association.

Crammed with activities, this year has been especially enjoyable to all the club membership. Mr. C. Stanley Banks, well known historian of San Antonio, spoke to club members and visitors on "The Siege and Fall of the Alamo." Historical facts of this famous historical shrine revealed to all present, the courage of the early Texans who defended it to the end.

During September, the Junior Historians entertained new sophomores entering Brackenridge High. Accordion music was furnished by Rosemary Melancon and Marian Yeager, after which games were played.

To finance the club's activities, every member joined in making their dance, "The White Christmas

Frolic," one of the successes of the year.

After touring the winding San Antonio River in a river boat, a group of the Junior Historians practiced for the coming pageant to be given during Texas Week. Viewing and living the parts of early Texas settlers, this pageant proved to be one of the most interesting activities undertaken by the club. Blue ribbons were also presented to those students making A in history.

Although these activities have been successfully carried out, the Junior Historians are still full of not

only ideas for our club, but also appreciation for our state and its historic significance.

The Girl Reserves

As junior members of the Young Women's Christian Association, the Girl Reserves ascribe to the purpose of their paternal organization: "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are indebted by our faith as Christians. In this endeavor we seek to understand Jesus, to share his love for all people to grow in the knowledge and love of God."

Among the activities enjoyed by the members during '42 and '43 are: a candlelight initiation service at the Y.W.C.A., a party at which quilts and scrapbooks for war benefit were made, and a hayride to Buckaroo Dude Ranch. Other social highlights include: a mother-daughter Valentine tea, a second quilting party, the Girl Reserve-Hi-Y "Irish Jig" Dance, and our monthly Monday-night suppers at the Y.W.C.A. for city-wide Girl Reserve Clubs. To complete the year's activities, the installation of officers for the following year was held in May.

The Commercial Honor Society was organized in the spring of 1939 with the object of keeping in touch with the members after they enter the business world and of cooperating with the commercial teachers so that the courses taught at Brackenridge may prepare the students for jobs in the constantly changing business world.

Students superior in shorthand, bookkeeping, typing, or other commercial subjects qualify for membership. Each candidate must have attained four credits in the commercial field and must have at least three A's in two commercial subjects. In May a banquet is held honoring members. At the banquet all members who make few errors at a speed of fifty words or more a minute are awarded certificates of proficiency.

Los Hidalgos Club

The Los Hidalgos is a social clue for Latin-Americans, and other students, interested in the Spanish speaking world.

The name of the Club means "Sons of the Noble people" and gives a high standard for conduct and for character of all the members.

The members are an alert group who meet every Wednesday, holding their meetings in Spanish. They share in the social activities. They have bought a war bond and as a Club contribute to the various drives for worthy causes. Besides this, they have several social gatherings each year, such as the Christmas pinata, the Valentine party, and the spring picnic.

The Clio members have been a very busy group during the past year. Since this is war time, we decided to choose and to learn more about some branch of the service as our project for the year. Because the Marines had fought in so many of the decisive battles, we thought that it would be very interesting and worth-while to learn more about them. We have had round-table discussions on their work and bought books for the Marine library. In the fall term we had the annual Serelia for our mothers. In January we had the installation of the officers for the spring term in the home of a club member. To make the year of 1942 and '43 a perfect one, we had our annual Rose Day Tea for the members of our faculty. The Clios have had a very successful year because of the full determination and cooperation of every member.

Stevenson Literary Club

The Stevenson Literary Club was organized in 1917 and is one of the oldest clubs in Brackenridge. One of the main activities of the club is the Orphan's Christmas party. Money is contributed by all the student body, but the plans for the party are carried out by the Stevensons. However, because we could not be assured of transportation, candy, or toys, the annual party was cancelled this year until some future date.

In October, a Twilight Tea welcoming the new members was held at Dorothy Conway's house. Other successful social events were "The First Dance of the New Year" given January eighth in the Boy's gym, a Bunco party at the home of Virginia Voss, and near the end of May a banquet in the form of a Smorgosbord table, honoring the Senior members.

The Brackenridge Debating Society began its year in September with a small, hard-working group. All of the empty places in the club were filled quickly with a large representation of the outstanding boys in Brackenridge High School. With such members, the B.D.S. was certain to have a successful year. After the new members had been inducted and had been entertained by a social, a regular series of debates was started with all members participating. The most outstanding debater is a receiver of a cup for his debating ability.

The annual Spring Formal was made a private affair. The entertainment committee, planned a program dance to be held at the Cos House in La Villita. All of the trimmings of a formal program dance, invitations, printed programs, evening dresses, flowers and punch were abundant. The dance was a huge success with members, dates, and guests all enjoying themselves immensely. Much of the credit for the success of the club this year must go to Mrs. Laura Keller, our splendid sponsor.

S. O. S. O.

The Society of Student Opinion of Brackenridge High School being one of the youngest organizations, does not keep it from being an active one. The name of the club or the ever prominent letters SOSO having appeared in local newspapers more than thirty times, is sufficient proof of its activity.

After having been founded on the remains of the "Digit Diggers," the SOSO began a successful year by acquainting the student body with its purpose. The SOSO Club during the past year or two has been carrying on a survey of student opinions. The results of this survey served to "keep B.H.S. informed about B.H.S. opinion," one of the club's purposes. The major event during the club's existence is judged to be "old license-plate collection contest," which served the three-fold purpose of conserving metal for the nation's war-effort, providing money for charitable organizations, and making the two winning advisories happy with their awards. The club this year also has taken up the program of Physical Fitness in which all members are participating. This program consists of various physical events.

The club this year had quite a set-back in membership. All the members last year consisted of high seniors with the exception of two. These two were left by themselves to build the club up to its present status. This set-back did not in any way affect the activity and progress of the club. For instance the club donated \$5.00 to the B.H.S. hospital unit. The club is at present in the midst of collecting magazines for the U.S.O. of a campaign for the collection of magazines in co-operation with the U.S.O.

The Modern Dianas' formal initiation was held the early part of the year at the home of gracious Patricia Staffel. This event was one of the nicest socials of the year. When new members are elected one may find all the girls rank high in scholarship, leadership, and charm, these being the qualifications we require of all our members.

Under the guidance of Mrs. Wilson and Miss Jonas, our club sponsors, the Dianas had many wonderful socials. A horseback ride in Brackenridge Park proved to be an event that was enjoyed by all. Also several ice skating parties were held for our graceful skaters who had many laughs at us who were rather unsteady on the ice.

Modern Dianas

As usual the Dianas had a doughnut sale. This proved to be a lot of fun, as well as a means of raising the money we needed.

You may now readily understand why we call ourselves Modern Dianas, the Goddess of the moon and chase. Looking clearly through all of our activities you will find that we maintain high ideals and friendship with everyone. As each senior graduates, she knows that the years to come will bring new members who will uphold these standards.

"The magic of charm is fast becoming the criterion of a new aristocracy—the individual must be worthy of his position in life or he cannot continue to occupy it—the new world does not belong to the lazy."

This is the motto of the Charme Society. The aim of the club is to help its members be useful American citizens by being charming, well-mannered girls with pleasing personalities.

The Charme Society was organized by Miss Willie Rehm in 1937, carrying out the original idea of Miss Viola Moore, dean of girls at Brackenridge. It is distinguished in that it is the only Wednesday club to have a uniform. The uniform is a blue and white jumper dress.

The activity of the club consists of four main socials: the Halloween Breakfast, the Christmas Party, the Spring Picnic, and the Senior banquet. There are many "in between" good times too. Guest speakers and members talk to the girls on charm at the semi-monthly meetings. The club also has a Question Box through which the Charmes discuss problems confronting them in the social and business world.

Charme Society

Lanier Literary Society

The founders of the Laniers instituted friendliness for their theme, and it is only natural that the officers and members cooperate in work and play. In keeping with the chosen theme, we started the year of 1943 by installing the new members in a friendly manner. At this ceremony the new members were familiarized with the requirements of becoming a Lanier. Each officer held an arrow representing the standards a Lanier should strive to uphold.

One of the most interesting events of the year was our book week assembly. Annually our assembly is given in honor of book week, at which time we present a gift to the library. This assembly is to promote interest and enthusiasm in selecting and reading better books. The theme this year was "Information Please." The Lanier members represented characters and titles from books. The grand finale consisted of the members in their respective costumes. The United States and Texas were both represented by their colorful flags which stood on opposite edges of the platform. The program closed with the cast and audience singing "God Bless America" while patriotic youth was represented by an R.O.T.C. officer and a sponsor saluting the flag.

The Garden Club was organized to give its members practical experience in floral culture, arrangement, and appreciation, but at the same time it was established to provide fun and good times throughout the year for its members and other Brackenridge students.

This year the Garden Club was particularly active in beautifying the Brackenridge Campus and the Brackenridge area by sponsoring a sale of Gladioli and Ranunculus bulbs. Then, too, the Garden Club, in conjunction with the Delphinium Club of Highland Park, planted Anemones in front of the school cafeteria. At La Villita the Garden Club donated and planted 500 Ranunculus bulbs and two fine rose bushes, and later held a party-dance there with the Junior Historian Club. When the Flowers were in bloom, the members of the Garden Club returned to La Villita followed by a tour of the River Beautification Project and the Alamo Gardens.

The annual event of the Garden Club, the Brackenridge Flower Show, was again held with its usual success and splendor. This array of "Spring's best" is shown in order to bring us all in contact with those things of beauty that we in these crucial times are so apt to forget.

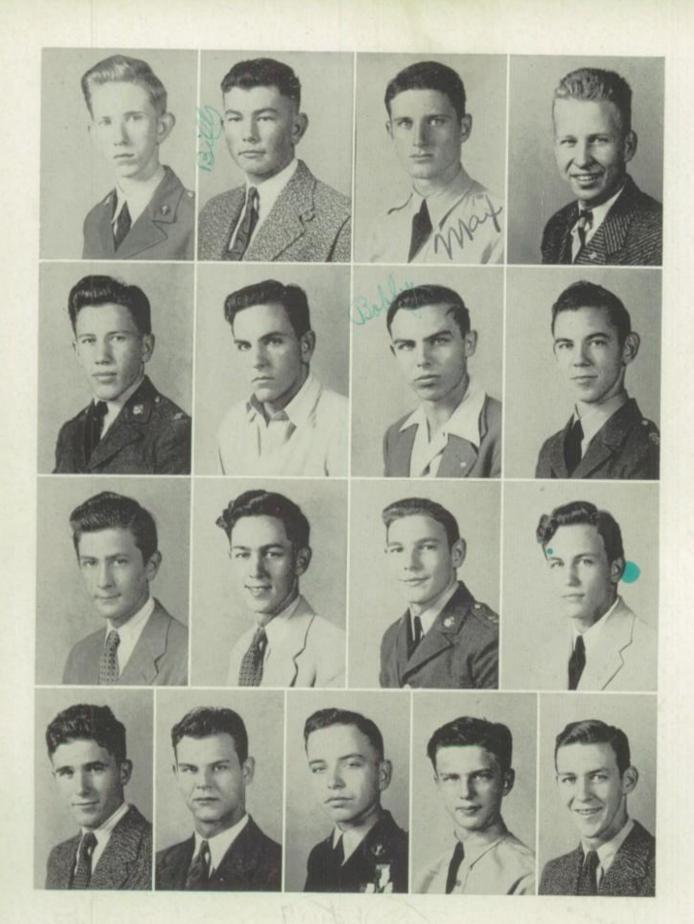

The Garden Club is proud of its Victory Garden that has inspired many Brackenridge students to follow suit in growing both food and plants to insure Victory.

This year, by cooperating whole-heartedly with the local Y.M.C.A., school, and community, the Hi-Y Club of B.H.S. had successfully attached its name and purpose to the heart of everyone with whom it has been associated. Every member of the Brackenridge Chapter can proudly say that he is part of the club that promotes christianity at school. Each boy has allied himself with the Hi-Y motto, one with christianity as its goal, "to create, maintain, and extend throughout the school and community high standards of Christian character."

Among our many activities this year are a few that are well remembered. The club presented to each student and teacher in B.H.S. a "sticker" upon which was printed "The Lord's Prayer" and "The Star Spangled Banner." Then the night before the Thanksgiving Day Game, the Hi-Y presented in the B.H.S. gym the annual Beat Jeff Prom, and as usual, it was most successful. Shortly after this affair, the club held a Father and Son Night to promote further understanding between father and son. There was a large group represented, and Mr. Arnold, principal of Emerson Junior School, spoke on the subject, "Man to Man" followed by Mr. Billo Smith, Y.M.C.A. Boys' Work Secretary, who spoke on "For Better Understanding of the Hi-Y Purpose."

Hi. 4 Club

We shall never forget our former sponsor, Mr. Wyman Higdon, who is now in the U. S. Army Air Force, nor the enjoyable social we attended at his home following his induction into the service.

It was early in November that we held our first Fire of Fellowship at Madlas Ranch. About two-thirds of the club attended, and everybody came home tired enough to go to the Football Game at Alamo Stadium that night and sleep. The club also enjoyed the semi-annual Initiation Reception held at La Villita and the Y.M.C.A. The two Co-ed Nights held at the Y.M.C.A. were enjoyed by all who attended and the main events were Swimming and Dancing.

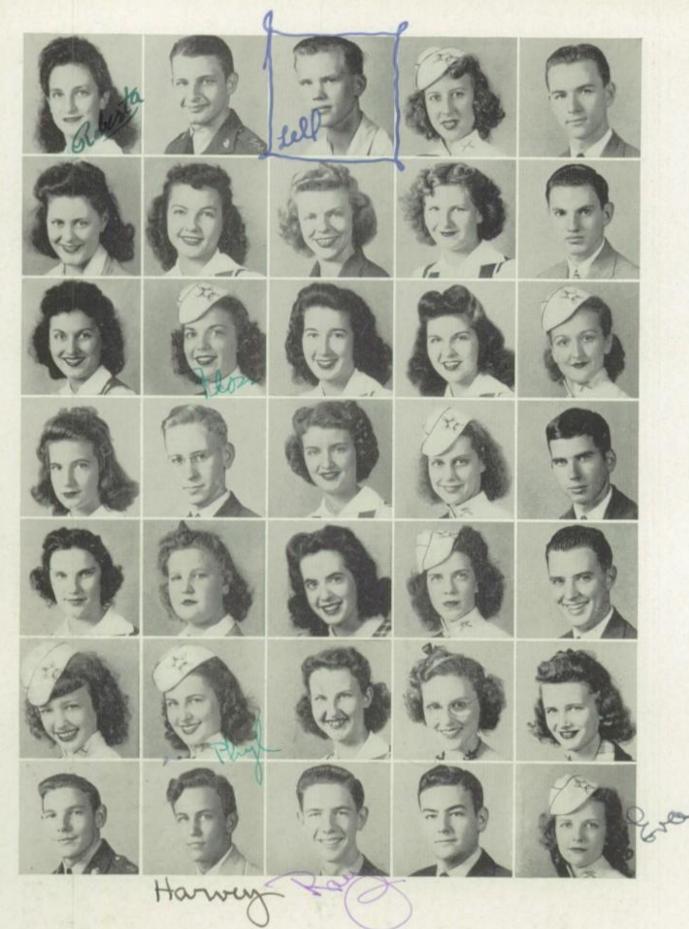

We have shown our patriotic spirit by painting air raid wardens' signs, also in the drive to secure books for the Prisoners of War. These books went overseas for our fighting men who have been captured as prisoners of war. We trust that these books were a symbol of Brackenridge appreciation for the sacrifices and valiant deeds on the battle fronts, and that these brave defenders know our thoughts are of them and our hearts with them.

If some day the members of the fall term of '43 are called to fill a heroes' grave we feel that they will go down with an inspired heart and a clean soul for such a noble cause.—Gorman Riley, Tommie McCreless

In 1924, Principal Marshall Johnston launched Brackenridge Chapter number 126, of the National Honor Society. Mrs. B. L. D. Roselle has sponsored every initiation ceremony. The National Association of Secondary School Principal, realizing that throughout the nation, schools were feeling the need of some uniform method of recognizing scholarship, organized the National Honor Society. School officials oll over the United States were delighted with this step toward uniformity in rewarding outstanding work, for not only did it do away with any local scholarship societies, but it gave an added meaning to members whose standing is at once recognizable in any state or college by the society emblem. Eligibility to membership

National Honor

in the society rests upon the strong base of scholarship. From the highest third of the senior class in scholar-ship, a maximum of fifteen percent of the class may be elected. If he is of unimpeachable character, if he has rendered service to the school in some special field, and if he has shown some degree of leadership in the extra curricular activities and the community life of the institution, a student is considered worthy of selection. A beautiful certificate of membership bearing the Brackenridge school seal and a replica of the emblem of the society is presented to each person receiving the honor of membership on the day he is initiated.

Quill and Scroll is an honor given to B.H.S. Journalists. Students admitted to this international organization must have at least eighty inches printed in some paper or two years of service on the Annual Staff. This year, under the able leadership of its president, Logan Smiley, the Alice Stone Chapter of Quill and Scroll has undertaken many worthwhile activities. A radio program over a local station each week gives students and friends of Brackenridge all the news of our school, as does a column prepared once a week for one of our city's newspapers. A column in the "School Chatter" section of one of our Sunday papers is written by a member of this organization. An initiation of new members was held and a farewell was given to the graduating seniors of the society.

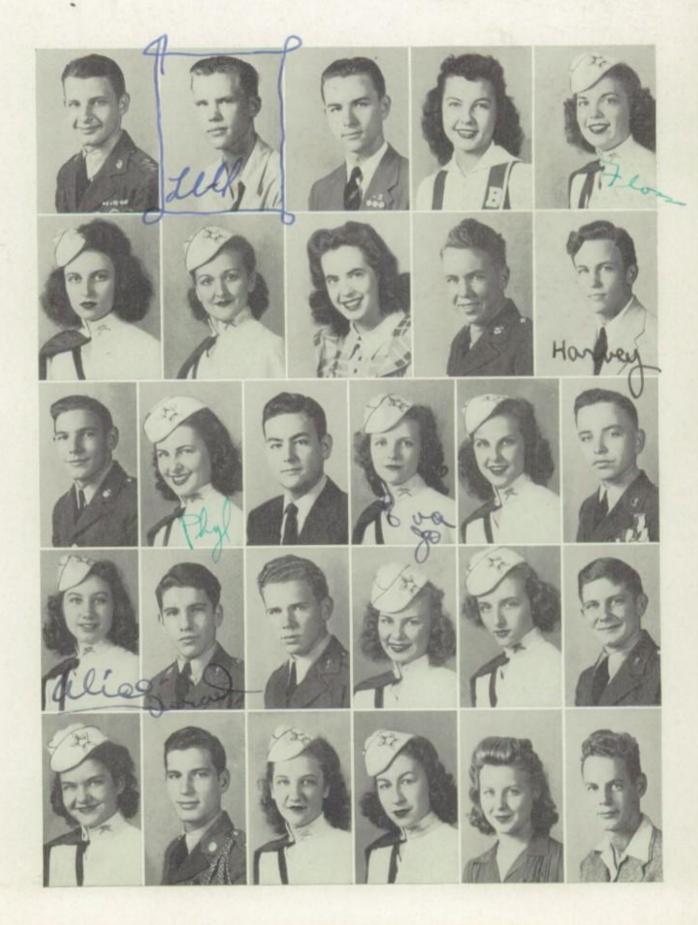

Quill and Scroll

Eagle Soars

Eagle Soars is an honorary organization. The honor is given to outstanding Brackenridge seniors. Up to the time of the discontinuation of the "Times," the soaring eagle was presented in the school paper with a picture and an interesting write-up. Now, the student is interviewed on the Quill and Scroll Weekly radio program. The interview consists of the student's honors achieved in high school, his or her likes and dislikes, description and general information of the student. The soaring eagle is picked by the officers of Quill and Scroll with the approval of Miss Moore and Mr. Kay. It is an honor that spohomores look forward to when they become seniors.

OH, SAY CAN YOU SEE

Our flag, symbol of liberty, so simple to look at, yet so beautiful in its simplicity! This plainness represents things that mean so much to man.

Mr. Average American, to whom Old Glory is a common right and the wonders it stands for merely habits, what thoughts run through your mind as you stop to gaze for a moment at your flag? Do you remember how your liberty-loving ancestors gave their very lives so that you might be free? You stand there, and little chills run up and down your spine as you think of the unbelievable advantages you have over every other race in the world. Mr. Plain Man, wonderful in your simple, easy going, cooperative life, of course you cannot just stand and gaze and think much. You have to get to your job at the war plant and work hard to make sure that your children will have the liberty and freedom you have.

La Retama

The school year of 1943 is drawing to a close, and another volume of La Retama joins the thirteen preceding volumes. The work has been somewhat hard, but we feel gratified in that we have succeeded in publishing this 1943 edition.

We owe great thanks to Mr. Enos Gary who has helped us from the very beginning. Also we wish to express our deep appreciation to our sponsor, Mrs. Laura Keller, whose able advice has pulled us through many difficulties.

Our theme, UNITED FOR VICTORY, is a fitting one at this time, for now our sole aim is Victory.

We hope that La Retama of 1943 will bring back memories of the many eventful days of this school year.

The first publication of the "Times" came out in 1917 during the World War I with Harold Scherwitz, now with the San Antonio "Light" as Editor. During all these years the journalism classes have published many a successful paper. Today, due to the many shortages caused by World War II, the traditional "Times" has been discontinued for the duration.

In September of this year the "Times" started under the able leadership of Genevieve Flores and Dorothy Treybig, Co-Editors, and Mrs. Virginia Cannon, sponsor. With a willing staff, the "Times" proved to be very successful and gave students of Brackenridge much enjoyment up to the time of its discontinuation. We hope to see its return in the near future.

The Brackenridge Band of 1943 has taken an active part in the entertainment of the armed forces. Approximately once a week the band has played at the various U.S.O. Clubs, Army Camps, or Training Centers.

The Band has also aided in the bond and stamp drives of the city. The Victory Concert on General Krueger Day, March 19, 1943, was given by a select group from eight bands of San Antonio, and thirty-two of the one hundred and fifty players were from Brackenridge. This Victory Drive, sponsored by Al Heck and Howard Davis, resulted in the purchase of twenty Flying Fortresses that were to be called "The Alamo Squadron."

Besides the regular school activities at which the band always adds color, they took part in parades for various drives such as the Red Cross, the W.A.A.C., and the China Relief. The band also played at the A. & M. football game and the Lions and Optimists baseball game.

There is not a member in the band who does not stand ever-ready to assist in the upholding of the morale of the armed forces and the civilian life of our city. Mr. Zoeller, the excellent director of the band, is extremely proud of this fine group of student musicians.

B. H. S. Orchestra

The orchestra, though it has only 29 members this year, has set some very high standards in the rendition of their musical selections. It has played for school assemblies and programs as well as for army camps in and around San Antonio. Music was furnished for the Purple Parade and the March Gaieties. The band and orchestra together presented Music on Parade. The repertoire of the orchestra includes Rio Rita, Hungarian Dance No. V, Chaconne, March of the Meistersingers, and many other selections of like character.

The members of the orchestra are proud of the fact that they have entertained at the army camps and U.S.O. clubs. We feel that we have contributed a great deal toward the moral of our armed forces and civilian life, and we hope to continue this work as long as it is needed.

This year has been a busy one for the chorus classes. Numerous programs at school were participated in such as: The Purple Parade, Thanksgiving, Christmas and others. In March the Dramatic and Vocal Departments combined their talents in the "March Gaieties."

The Mixed Chorus is most proud of the new glee club sweaters and emblems. These sweaters were purchased with proceeds from a dance and are now the property of the glee club to be issued each year to members.

The Advanced Girls Chorus is a member of San Antonio Junior Federation of Music Clubs. Their performances before this club have been enjoyed both by the participants and the club members.

Due to transportation and difficulties and other war conditions, the usual State Festival and Contest at San Marcos was abandoned for this year—and while this was a disappointment, the clubs have been too busy singing for the various Army camps, fields and U.S.O. programs to regret repeating last year at the contest. They feel they are really doing something of which to be proud, when they entertain the soldiers, this service has really been the year's project.

Girls' Glee Club

Girls' Glee Club

A Boys Chorus of 35 members was organized early in the year and we hope this splendid organization continues to function. The boys sang on programs for the Lions Club and for the P.-T.A.

The Harmony Class is growing in popularity, not only is it growing in numbers, but in quality of music that the students are composing.

The first year Chorus Classes are going to send up the advanced classes some good material to help replace the fine voices we are losing when the seniors graduate. We are looking forward to another year of singing.

Action! Lights! Cameral

The Purple Parade was October 2, and what a show—comedy, tragedy, fantasy! Remember The "Pantomine in Black and White" where Donna Lou was the clown and Dorcas McLaughlin and Lois Littleton played the lovers?

Then came our Constitution Day Assembly, that patriotic pageant "Schools at War," which Mr. Gary invited to go to the Gunter for a joint luncheon program for the Lion's and Optimist's Clubs. Brenda (Phyllis Hamton) and Cobina (Mary Jane Elley) were in it and the little red jeep which had no gas. But the pretty tableau which depicted our soldier dead was the most impressive scene our Dramatics class produced this year. Let us hope and pray that the honor roll, of our boys who have paid the supreme sacrifice, will not be so long next year.

"Why The Chimes Rang" was the story of a little boy whose deeds of service to the poor old woman caused the great miracle of the chimes in the Cathedral at Christmas time. Jack Frazar was the little boy.

Don't forget the snappy skit—"One Hundred Percent American"—on Mr. Zoeller's show in January.

"March Gaieties" was the spectular show of the spring season,—Peggy's songs, the lovely music of the Glee Clubs, the clowns, and tumblers, the pretty girls, and dances, the flags and Ben Leonards solo—well—every one liked it. Shall we repeat it next year?

"When Stars' Shine" was chosen for the Senior Play on April 30. "If you can meet with Triumph and Disaster and treat those Two Impostors just the same"—furnished the theme of a good play and a grand performance. The stars—Eva Jo Lawler, Edith Frazar, Vimmie Edenburn, and Bobby Snipes deserve unstinted praise as well as Vera Vaughn, Wilton Biegert, Douglas Van Buren, Donna Lou Orndorff, Jessie Harper and Flossie Childress.

These are the high spots of our year's work in Dramatics. Some 75 "one acts" offered opportunity for our students to learn the ways of good acting.

To Miss Dickey and the Dramatics students we say "Congratulations" and a big "Thank you" for a fine year's work.

Speech Arts

The Public Speaking Department has been preparing for the usual Interscholastic League Contests all this year. Due to the elimination of the city and district contests there are no winnings to be recorded here.

In addition to excellent work done in debate, declamation, and platform speaking, the department has presented two social affairs—the Dancing-Meter Prom and the San Jac Swing—both of which were financially helpful. Realizing that speech is especially important in rendering the maximum of service to society, the department is striving to equip each student with all the accomplishments of speech technique. Citizenship in the key note of speech material. The question for debate, "Resolved that a Federal World Government should be established," the patriotic theme for declamation, and a knowledge of world happenings for platform speaking—all point toward abler and wiser citizens for tomorrow.

"A" TEAM

Finishing fourth in a district that included for the first time, Corpus Christi High School, the Brackenridge Eagles were forced to bow to the supremacy of Austin, eventual state champions, Corpus Christi and

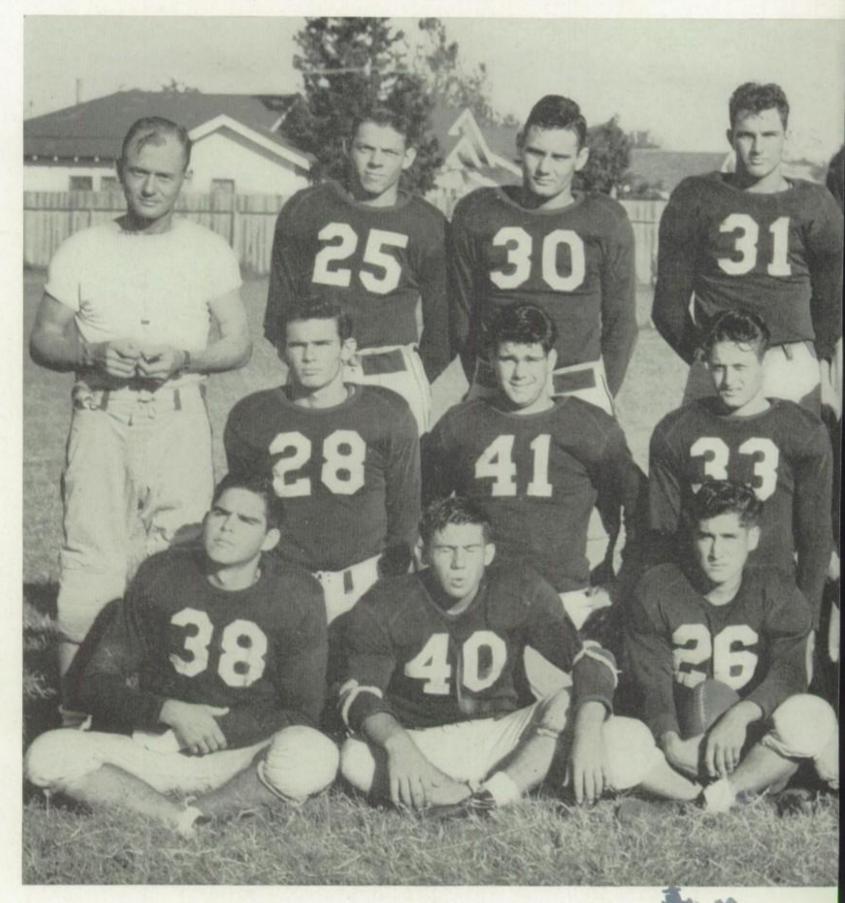

Jefferson. Two fine boys, James Strong and Norman Pegg, were selected on the District 15 AA team. Congratulations to Coaches Forehand and Ehlert for the support which they ably supplied.

"R" TEAM

Taking competition in their stride, the "B" team of Brackenridge had a very successful season. Winning the City Class "B" championship, the Eaglets placed James Bodiford, George Collie, Jack Hinson, Henry Woslegel and Eugene Woods on the All City Class "B" team. Mr. Lowman, coaching football for the

Forced to play second-fiddle to Jefferson's Track Team throughout the season, the Eagles nevertheless were the only team in San Antonio who could stay within hailing distance of the Mustangs when it came to a track meet. Led by such notables as James Strong, James Southworth and Franklin Young and with a 440-yd. relay team which consisted of Tom Watt, Jack Berry, Ned Snyder and James Strong, the Eagles were second at the Border Olympics, Second in the Edison Meet, second in the Alamo Heights meet, second in the Sub-Regional Meet. Boasting a fine defense and many adept ball handlers, the Brackenridge Eagles finished third in the revived City Series; suffering only three defeats and winning five games. Outstanding highlight in the Eagle's City Series schedule was a 16-17 win over the Jefferson Mustangs. Led by Roland Lehker, Dick West-kaemper, and Frank Means, the Birds began district competition with a decisive win over Laredo High School and then managed to slip by San Antonio Tech by one point. They were then defeated by Austin and Jefferson to be eliminated from competitions. Playing their last years on the basketball squad, Jack Nipper and Bobby Wilson were selected as co-captains for the. year.

Although the Brackenridge Eagle's 1943 tennis squad was inferior to that of 1942, it was still a power in local tennis circles. The girl's tennis squad coach by Miss Rector, consisted of Virginia Foasch and Dorothy Brand, doubles, Gerry Schuehle, singles, and Dorothy Byod, alternate, who, powenes, was not used. Practice games, before regular competition were with Harlandale, Alamo Heights, and Hot Wells. In the City Meet Gerry Schuehle defeated by Burbank opponent in the semi-finals and was then defeated by a Jefferson player in the finals. Dorothy Brand and Virginia Frasch won over Burbank and then emerged victorious over Jefferson. In the subregional meet the girl's doubles lost to Pleasanton in the Preliminaries. The singles defeated Alamo Heights and were then defeated by Jefferson in the Semi-finals.

The boy's tennis team, coached by Mr. Lowman, was John Howard and A. J. Strickland, doubles, Emil Martinez, singles. The doubles were defeated in the city meet, but Emil Martinez was victorious in the city, Sub-regional.

Purple Jacket Christmas Party.

The Football games in the Fall started the Purple Jackets off to another exciting and eventful year of activities under the leadership of their president, Gloria Bond. The Girls have participated in quite a number of events other than the regular schedule of football and basketball games. The Purple Jackets assisted with the selling of War Bonds during Ginger Rogers' appearance at the Municipal Auditorium, their cheers for A. and M. echoed around the Alamo Stadium during the Washington State vs. A. and M. football game, and as usual they added their bit of color to the Purple Parade and Field Night.

The socials have been gala occasions. The Christmas Party was somewhat of a peculiar sight with the girls carrying dolls and pulling little trinker toys. The gifts were later contributed to the orphanages where they could make the unfortunate children happy on Christmas Day.

A lovely luncheon was given in the Cascade Terrace of the St. Anthony. Miss Moore, Mr. Gary, and Mr. Kay were guests.

Everyone forgot formalities and donned "Cowboy Clothing" to attend the Round-up. The Gym was decorated with corn stalks, saccles, colored lights, and an artificial camp fire burned, giving the gym that wild western appearance. Many former Purple Jackets attended

The P. J.'s hurried out to Koehler Park for their annual Picnic and had a wonderful time dancing, bicycling, horseback riding, motor boat riding, and last but not least, indulging in delicious hot dogs and other picnic specials.

The Girls have also done a bit of parading. They participated in the W. A. A. C. recruiting Parade, the Red Cross Parade, and the Pilgrimage to the Alamo.

The Banquet and Dance is scheduled for the evening of May 15th in the Plaza Hotel Ballroom, and everyone is looking forward to it most eagerly.

This school year has been a busy but pleasant one, for the Purple Jackets and shall never be forgotten.

HIT 'EM HIGH

Hit 'em high, Hit 'em low Come on team lets go Something new has been added to Brackenridge—the Junior W.A.A.C. Last term the Sponsors of the R.O.T.C. were asked by Mr. Gary to take charge of the organizing and training of a regiment of Junior W.A.A.C.s including a drum and bugle corps. The Sponsors were very willing and on January 26, 1943, the organization began its work under the able leadership of faculty sponsor, Miss Mary Louise Rector, and Colonel Phyllis Hampton.

The Junior W.A.A.C.s have had extensive drilling and training and they have worked hard to perfect every detail. They have had close order drills, calisthenics, and instructions on Military Courtesy, Customs, and Discipline. Everyone was well rewarded for his hard work when the W.A.A.C.s made their first public appearance Field Night, April 2. They were complimented highly on their ability to drill and the discipline they showed that night by the official W.A.A.C. of Fort Sam Houston. Other activities which the W.A.A.C. have participated in were the parade given to help the W.A.A.C. Recruiting Drive and the Pilgrimage to the Alamo.

The patriotism revealed by this voluntary service of young Americans is indeed inspiring to everyone. The Junior W.A.A.C. Regiment has an important and brilliant future ahead of it, and may it continue to do the work it has so well begun. Junior W.A.A.C.s, Brackenridge is indeed proud of you.

The Conga Line at the Victory Prom.

Gay crowd, beautiful decorations, wonderful time!

We had Jitterbugs there too!

The Grand March at the Victory Prom was a huge success.

The Senior Prom

1. The Christmas Tree of the Wa Kapas and Mr. Gary. 2. Gloria and some of the P.J.'s decorate their tree.
3. A candy sale. 4. The Los Hidalgos had a lot of fun at their partyl 5. A cake sale. 6. Miss Strahon's English classes sing Christmas Carols. 7. The boys in the Shops made Christmas toys for the poor children.
8. Some of the Girl Reserves. 9. Some Gold Bugs. 10. A typical lunch scene.

Page 147

1. Mrs. Bate seems to be having a good time at the Senior Class picnic. 2. An' all those people are hungry, tool 3. Mrs. Yeager and other P.T.A. ladies are serving all those hungry people. 4 Miss McCallum, Teddy, and Mrs. Bate enjoy a ride on the elephant. Don't fall off! 5. EATS! 6. Mrs. Bate and Miss McCallum pause obligingly by the river. 7. Gloria was at the Sunken Garden. 8. Murphy, we caught you in the act! 9. We had dancing at the picnic; as you can see, Philip and Marian were doing nicely. 10. What's the matter, Alice; didn't get wet, did you? 11. Tampke poses by the trees. 12. Another scene at the Sunken Garden. 13. Watch out, Gorman! You're going to get wet, Too!

Senior Picnic

1. Believe it or not, it's Alice Rilling. 2. Mary Jo and Lillian pause for a little rest. 3. Johnnie Mae and Harvey seem happy enough. 4. Eva Jo and Bob go for a stroll. 5. Phyllis Hampton looked pretty at the picnic as usual. 6. An angle shot of our "Cheerful Little Earful," Eva Jo Lawler. 7. We pause for meditation. 8. The Clown Band. our one and only! Enough said! 9. Mary Angela looks stranded. 10. An' we even rode in the motor boat! 11. Bill Pollard displays a poster advertising the Lambkin's Leap. 12. Merlin and Schimmie took in the animals at the zoo. 13. Ethel Maye also enjoyed the healthy sport of wading on an afternoon in February. 14. Albert and Mary stand in mid-air as it were. 15. Gloria Bond looking sweet as ever. 16. Eva Jo again, and drinking a coke this time. 17. A group of typical B.H.S. beauties. 18. The elephants were popular.

1. The crowd at the Junior Historians' White Christmas Frolic was a happy one. 2. Just look at the "Wolves" that went to the Frolic. 3. Plenty of streamers as decorations floated around. 4. Now here we see Joe, Mary Louise, Grover, and many others at the Glee Club's Spinsters' Skip. 5. A group of the Girls' Chorus are gathered around their Christmas tree. 6. Well, look at Moody and H.P.! Don't they make a delightful couple! We're asking you. 7. Some of the crowd at the Seniors' Victory Prom. 8. Doesn't Phyl look lovely? YES!!! 9. A couple that one always sees at the dances is none other than Marian Yeager and Ray Katzmark.

GRADUATES OF 1943

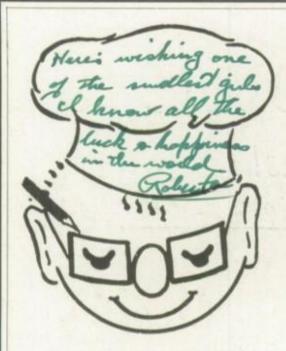

Congratulations!

JOSKE'S and the Youth of Southwest Texas have long been "good companions." For JOSKE'S is more than just a store, it's a personality . . . always hospitable, always ready to serve you through large stocks, newest fashions and values that let you keep to your budget. Young folks like the warm friendliness of this store and you see them here often, buying with the confidence they place in a real friend.

Because of this deep friendship between Youth and a Store, JOSKE'S has grown steadily greater. It's now considered one of the most beautiful stores in America...like a whole city of shops under one roof—always waiting to please you, your family, your friends.
